We are happy to announce that we are all safe and healthy at TW. We hope you and your loved ones are well too.

According to the Maryland Department of Health, the total confirmed coronavirus cases in our state is now at **13,684** with **516** confirmed deaths and **3014** hospitalizations.

Confirmed Cases, Total over Time

(retrieved from <https://coronavirus.maryland.gov/>)

Our company respects and practices the executive order issued on March 30th by our governor Larry Hogan. We are scaling down our operations and implementing telework as much as possible at TW Products.

As of today, our plan is to telework until May 11th for further evaluation of the situation so we can make the most informed operational decision.

We hope everyone is staying at home as much as possible and following the safety guidelines by the CDC, which can be found here <https://www.cdc.gov/coronavirus/2019-ncov/index.html>.

We also hope every business implement telework if possible and helps stop the spread of COVID-19. Only when we work together, can we get through this crisis sooner!
